It continually contributes to improving our health conditions by eliminating and preventing disease-carrying pest. Customer satisfaction and quality service are obtained through the use of *highly skilled technicians* utilizing proven scientific methods. This service comes with our Exclusive One Year Guarantee. **Any area requiring additional service to control a re-infestation will be provided at no cost upon request.** Continuing to accept service will extend this agreement on a year-to-year basis.**

**We use products that are safe for CHILDREN & PETS. We treat around the windows, doors and baseboards of the home. Typical drying time is 1 hour or less. All treatments come with a 12 month guarantee.**

## **TERMITE PRICING LIST**

### **EXISTING HOME PREVENTATIVE TERMITE SERVICES USING SENTRICON BAIT STATION SYSTEM**

Quotes are typically required prior to service.

Average installment price is between \$800-1200.00. Yearly inspections are required to keep coverage active with a typical charge being \$365.00. This yearly inspection requires inside inspection, perimeter inspection and checking inside each bait station installed around the home. One station itself treats multiple colonies of termites. An average home has roughly 28-35 stations installed, giving you superior termite protection year round.

### **Termite Pretreat Pricing:**

Price is .25 a square foot with a minimum charge of \$300.00

At FINAL inspection, we charge an additional \$365.00 to protect the structure further with Sentricon Always Active Bait Station Installation (TRANSFERABLE TO HOMEOWNER/ANY NEW OWNER), typically offering a damage & retreatment warranty, for as long as agreement is renewed yearly.
